

Oxford Canoe & Kayak Club (OCKC)
COVID-19 Guidance Compliant
Code of Behaviour

OCKC is committed to keeping paddlers safe throughout the COVID-19 Pandemic. As an affiliated club within British Canoeing England we are compliant with the latest British Canoeing Return to Paddling Guidance

To achieve this, we have:

- Carried out a risk assessment based on guidance by British Canoeing
- Produced an action plan
- Published and shared this action plan and communicated key messages with all our paddlers
